Effective April 28, 2025, the Investment Divisions of the Separate Account investing in the **JNL/BlackRock Global Natural Resources Fund, JNL/First Sentier Global Infrastructure Fund, JNL/Cohen & Steers U.S. Realty Fund, JNL/WMC Global Real Estate Fund, and the JNL Multi-Manager International Small Cap Fund** will stop accepting any additional allocations or transfers. All other Investment Divisions of the Separate Account will remain available.

Amounts invested in the JNL/BlackRock Global Natural Resources Fund, JNL/First Sentier Global Infrastructure Fund, JNL/Cohen & Steers U.S. Realty Fund, JNL/WMC Global Real Estate Fund, or the JNL Multi-Manager International Small Cap Fund as of April 28, 2025 will remain invested unless we receive instruction from you. You may continue to make transfers and withdrawals out of these Investment Divisions in connection with the usual transactions under your Contract, such as partial withdrawals or withdrawals under a Guaranteed Minimum Withdrawal Benefit (GMWB), if available. **However, if you transfer out of any of these Investment Divisions on or after April 28, 2025, you will not be able to transfer back in.**

If you make a subsequent Premium payment and have future allocation instructions on file with us that include allocations to the JNL/BlackRock Global Natural Resources Fund, JNL/First Sentier Global Infrastructure Fund, JNL/Cohen & Steers U.S. Realty Fund, JNL/WMC Global Real Estate Fund, or the JNL Multi-Manager International Small Cap Fund, you must choose a replacement Investment Division by April 28, 2025. If we do not receive updated allocation instructions from you by April 28, 2025, all allocations prior to our receipt of updated allocation instructions will be allocated to the JNL/Dreyfus Government Money Market Investment Division. Please consult your representative promptly to assist you in subsequently reallocating the Contract Value in the JNL/Dreyfus Government Money Market Investment Division to any other available Investment Division.

If you currently have an automatic program, such as Dollar Cost Averaging, Dollar Cost Averaging Plus, Earnings Sweep, or Rebalancing, and it includes allocations to the JNL/BlackRock Global Natural Resources Fund, JNL/First Sentier Global Infrastructure Fund, JNL/Cohen & Steers U.S. Realty Fund, JNL/WMC Global Real Estate Fund, or the JNL Multi-Manager International Small Cap Fund, you can continue to invest in these Investment Divisions based on your existing election until you revise or terminate the automatic program.

If you have elected the LifeGuard Select, Jackson Select, or Jackson Select Protector GMWB, automatic transfers apply under the Transfer of Assets provision. The automatic transfers are allocated based on your future allocation instructions, described in the preceding paragraph. Therefore, when you change your allocation instructions for subsequent Premium payments, you will also be changing your instructions under the Transfer of Assets provision. Prior to our receipt of new future allocation instructions, the automatic transfers will continue to be based on your existing instructions.

If an application for a Contract is received on or after April 28, 2025, or if a pending application is not in good order by April 28, 2025, and it includes an allocation to the JNL/BlackRock Global Natural Resources Fund, JNL/First Sentier Global Infrastructure Fund, JNL/Cohen & Steers U.S. Realty Fund, JNL/WMC Global Real Estate Fund, or the JNL Multi-Manager International Small Cap Fund, those allocations will be allocated to the JNL/Dreyfus Government Money Market Investment Division. Please consult your representative promptly to assist you in subsequently reallocating the Contract value in the JNL/Dreyfus Government Money Market Investment Division to any other available Investment Division.

DEFINITIONS

Contract Anniversary – each one-year anniversary of the Contract's Issue Date.

Contract Enhancement – a credit that we will make to your Contract Value at the end of any Business Day in the first seven Contract Years (five Contract Years for the 2% Contract Enhancement) during which we receive a Premium payment. The Contract Enhancement endorsements available are the 2% Contract Enhancement endorsement, 3% Contract Enhancement endorsement, 4% Contract Enhancement endorsement, 5% Contract Enhancement endorsement, or 6% Contract Enhancement endorsement. The actual Contract Enhancement percentage applied to the Premium payment varies, depending upon which Contract Enhancement you have elected and the Contract Year in which you make your payment.

Contract Year – the succeeding twelve months from a Contract's Issue Date and every anniversary. The first Contract Year (Contract Year 0-1) starts on the Contract's Issue Date and extends to, but does not include, the first Contract Anniversary. Subsequent Contract Years start on an anniversary date and extend to, but do not include, the next anniversary date.

For example, if the Issue Date is January 15, 2025, then the end of Contract Year 0-1 would be January 14, 2026, and January 15, 2026, which is the first Contract Anniversary, begins Contract Year 1-2.

Fixed Account – part of our General Account to which the Contract Value you allocate is guaranteed to earn a stated rate of return over the specified period. The Fixed Account consists of the Fixed Account Options.

Fixed Account Option – a Contract option within the Fixed Account for a specific period under which a stated rate of return will be credited.

Fund – a registered investment company in which an Investment Division of the Separate Account invests.

General Account – the General Account includes all our assets, including any Contract Value allocated to the Fixed Account and the GMWB Fixed Account, which are available to our creditors.

Guaranteed Minimum Withdrawal Benefit (GMWB) Fixed Account – part of our General Account to and from which automatic transfers of your Contract Value may be required according to non-discretionary formulas. The Contract Value allocated to the GMWB Fixed Account will earn a stated rate of return over a specified period.

Investment Division – one of multiple variable options of the Separate Account to allocate your Contract's value, each of which exclusively invests in a different available Fund. The Investment Divisions are called variable because the return on investment is not guaranteed.

Issue Date – the date your Contract is issued.

Separate Account – Jackson National Separate Account – I. The Separate Account is divided into sub-accounts generally referred to as Investment Divisions.

IMPORTANT INFORMATION YOU SHOULD CONSIDER ABOUT THE CONTRACT

	FEES AND EXPENSES	LOCATION IN PROSPECTUS		
Charges for Early Withdrawals	<p>If you withdraw premium from your Contract within 7 years following the premium payment, you may be assessed a withdrawal charge. The maximum withdrawal charge is 8.5% of the amount of premium withdrawn. For example, if you make a withdrawal during the first year after a premium payment, you could pay a withdrawal charge of up to \$8,500 on a \$100,000 investment. The withdrawal charge then gradually declines each year, until the 7th year, after which no charge is made.</p> <p>If you select the optional Contract Enhancement and make a partial or total withdrawal from your Contract in the first seven Contract Years after a Premium is received (five Contract Years for the 2% Contract Enhancement), you will pay a Contract Enhancement recapture charge that reimburses us for all or part of the Contract Enhancement that we credited to your Contract based on your Premiums. The maximum recapture charge is 5% of the amount withdrawn. For example, if you make a withdrawal during the first year after a premium payment, you could pay a recapture charge of up to \$5,000 on a \$100,000 investment.</p>	Contract Charges-Withdrawal Charge, Contract Enhancement Recapture Charge		
Transaction Charges	In addition to withdrawal charges, you also may be charged for other transactions, such as when you transfer cash value between investment options more than 25 times in a Contract Year, when you request an expedited delivery of your partial or complete withdrawal, or if you make a total withdrawal from your Contract after income payments have commenced under certain income options. In addition, for Contracts sold in certain states, you may be charged for premium taxes.	Contract Charges-Transfer Fee, Commutation Fee		
Ongoing Fees and Expenses (annual charges)	The table below describes the fees and expenses that you may pay <i>each year</i> , depending on the options you choose. Please refer to your Contract Data Pages for information about the specific fees you will pay each year based on the options you have elected.		Contract Charges-Optional Benefit Expenses; Fees and Expenses Tables

	<div>1. As a percentage of average daily Contract Value of the Investment Divisions.</div> <div>2. As a percentage of average Fund net assets.</div> <div>3. The minimum fee reflects an annualized percentage of the daily net account value of Investment Divisions. The maximum fee reflects an annualized percentage of the applicable benefit base. The foregoing benefit-based optional benefits are no longer offered under the Contract. Because a Contract’s benefit base is different from its Contract Value, the minimum and maximum fees cannot be directly compared to each other.</div>			

Because your Contract is customizable, the choices you make affect how much you will pay. To help you understand the cost of owning your Contract, the following table shows the lowest and highest cost you could pay each year, based on current charges. This estimate assumes that you do not take withdrawals from the Contract, **which could add surrender (withdrawal) charges that substantially increase costs.**

	RISKS		Location in Prospectus
Risk of Loss	You can lose money by investing in this Contract.		<u>The Annuity Contract</u>
Not a Short-Term Investment	This Contract is not designed for short-term investing and is not appropriate for an investor who needs ready access to cash. Withdrawal charges apply for up to 7 years following your last premium payment. To the extent they apply, they will reduce the value of your Contract if you withdraw money during that time. The benefits of tax deferral and living benefit protections also mean the Contract is more beneficial to investors with a long time horizon.		<u>The Annuity Contract</u>
Risks Associated with Investment Options	<ul style="list-style-type: none"> • An investment in this Contract is subject to the risk of poor investment performance and can vary depending on the performance of the investment options you choose. • Each investment option (including the Fixed Account and the GMWB Fixed Account) has its own unique risks. • You should review the prospectuses for the available Funds before making an investment decision. 		<u>The Annuity Contract</u>
Insurance Company Risks	Any obligations (including under the Fixed Account and the GMWB Fixed Account), guarantees, and benefits of the Contract are subject to the claims-paying ability of Jackson. More information about Jackson is available upon request from Jackson by calling 1-800-644-4565.		<u>The Fixed Account and GMWB Fixed Account</u>

Optional Benefits	<ul style="list-style-type: none"> • Certain benefits may limit withdrawals or other rights under the Contract. Under certain benefits, a withdrawal could reduce the value of a benefit by more than the dollar amount of the withdrawal. • Not all optional benefits are available through all broker-dealers and may vary by state or date of purchase. • We may modify or discontinue an optional benefit at any time. 		<u>Access To Your Money</u>

	TAXES	
Tax Implications	<ul style="list-style-type: none"> • Consult with a tax professional to determine the tax implications of an investment in and purchase payments received under this Contract. • If you purchase the Contract through a tax-qualified plan or individual retirement account (IRA), you do not get any additional tax deferral. • Earnings on your Contract are taxed at ordinary income tax rates when you withdraw them, and you may have to pay a penalty if you take a withdrawal before age 59 ½. 	<u>Taxes</u>
	CONFLICTS OF INTEREST	
Investment Professional Compensation	Your registered representative or other investment professionals may receive compensation for selling this Contract to you in the form of commissions, revenue sharing, and other compensation programs. Accordingly, investment professionals may have a financial incentive to offer or recommend this Contract over another investment.	<u>Distribution of Contracts</u>
Exchanges	Some investment professionals may have a financial incentive to offer you a new contract in place of the one you own. You should only consider exchanging your Contract if you determine, after comparing the features, fees, and risks of both contracts, that it is in your best interest to purchase the new contract rather than continue to own your existing Contract.	<u>Non-Qualified Contracts - 1035 Exchanges</u>
