Effective April 28, 2025, the Investment Divisions of the Separate Account investing in the JNL/BlackRock Global Natural Resources Fund, JNL/First Sentier Global Infrastructure Fund, JNL/Cohen & Steers U.S. Realty Fund, JNL/WMC Global Real Estate Fund, and the JNL Multi-Manager International Small Cap Fund will stop accepting any additional allocations or transfers. All other Investment Divisions of the Separate Account will remain available.

Amounts invested in the JNL/BlackRock Global Natural Resources Fund, JNL/First Sentier Global Infrastructure Fund, JNL/Cohen & Steers U.S. Realty Fund, JNL/WMC Global Real Estate Fund, or the JNL Multi-Manager International Small Cap Fund as of April 28, 2025 will remain invested unless we receive instruction from you. You may continue to make transfers and withdrawals out of these Investment Divisions in connection with the usual transactions under your Contract, such as partial withdrawals or withdrawals under a Guaranteed Minimum Withdrawal Benefit (GMWB), if available. However, if you transfer out of any of these Investment Divisions on or after April 28, 2025, you will not be able to transfer back in.

If you make a subsequent Premium payment and have future allocation instructions on file with us that include allocations to the JNL/ BlackRock Global Natural Resources Fund, JNL/First Sentier Global Infrastructure Fund, JNL/Cohen & Steers U.S. Realty Fund, JNL/WMC Global Real Estate Fund, or the JNL Multi-Manager International Small Cap Fund, you must choose a replacement Investment Division by April 28, 2025. If we do not receive updated allocation instructions from you by April 28, 2025, all allocations prior to our receipt of updated allocation instructions will be allocated to the JNL/Dreyfus Government Money Market Investment Division. Please consult your representative promptly to assist you in subsequently reallocating the Contract Value in the JNL/Dreyfus Government Money Market Investment Division to any other available Investment Division.

If you currently have an automatic program, such as Dollar Cost Averaging, Dollar Cost Averaging Plus, Earnings Sweep, or Rebalancing, and it includes allocations to the JNL/BlackRock Global Natural Resources Fund, JNL/First Sentier Global Infrastructure Fund, JNL/Cohen & Steers U.S. Realty Fund, JNL/WMC Global Real Estate Fund, or the JNL Multi-Manager International Small Cap Fund, you can continue to invest in these Investment Divisions based on your existing election until you revise or terminate the automatic program.

If you have elected the LifeGuard Select, Jackson Select, or Jackson Select Protector GMWB, automatic transfers apply under the Transfer of Assets provision. The automatic transfers are allocated based on your future allocation instructions, described in the preceding paragraph. Therefore, when you change your allocation instructions for subsequent Premium payments, you will also be changing your instructions under the Transfer of Assets provision. Prior to our receipt of new future allocation instructions, the automatic transfers will continue to be based on your existing instructions.

If an application for a Contract is received on or after April 28, 2025, or if a pending application is not in good order by April 28, 2025, and it includes an allocation to the JNL/BlackRock Global Natural Resources Fund, JNL/First Sentier Global Infrastructure Fund, JNL/Cohen & Steers U.S. Realty Fund, JNL/WMC Global Real Estate Fund, or the JNL Multi-Manager International Small Cap Fund, those allocations will be allocated to the JNL/Dreyfus Government Money Market Investment Division. Please consult your representative promptly to assist you in subsequently reallocating the Contract value in the JNL/Dreyfus Government Money Market Investment Division to any other available Investment Division.

DEFINITIONS

Contract Anniversary – each one-year anniversary of the Contract's Issue Date.

<u>Contract Enhancement</u> – a credit that we will make to your Contract Value at the end of any Business Day in the first seven Contract Years (five Contract Years for the 2% Contract Enhancement) during which we receive a Premium payment. The Contract Enhancement endorsements available are the 2% Contract Enhancement endorsement, 3% Contract Enhancement endorsement, or 4% Contract Enhancement endorsement. The actual Contract Enhancement percentage applied to the Premium payment varies, depending upon which Contract Enhancement you have elected and the Contract Year in which you make your payment.

<u>Contract Year</u> – the succeeding twelve months from a Contract's Issue Date and every anniversary. The first Contract Year (Contract Year 0-1) starts on the Contract's Issue Date and extends to, but does not include, the first Contract Anniversary. Subsequent Contract Years start on an anniversary date and extend to, but do not include, the next anniversary date.

For example, if the Issue Date is January 15, 2025, then the end of Contract Year 0-1 would be January 14, 2026, and January 15, 2026, which is the first Contract Anniversary, begins Contract Year 1-2.

<u>Fixed Account</u> – part of our General Account to which the Contract Value you allocate is guaranteed to earn a stated rate of return over the specified period.

Fund – a registered investment company in which an Investment Division of the Separate Account invests.

<u>General Account</u> – the General Account includes all our assets, including any Contract Value allocated to the Fixed Account, which are available to our creditors.

Investment Division – one of multiple variable options of the Separate Account to allocate your Contract's value, each of which exclusively invests in a different available Fund. The Investment Divisions are called variable because the return on investment is not guaranteed.

Issue Date – the date your Contract is issued.

<u>Separate Account</u> – JNLNY Separate Account I. The Separate Account is divided into sub-accounts generally referred to as Investment Divisions.
